ALEXANDRIA, VA – Wisnewski Blair & Associates, Ltd. (WBA) is pleased to welcome David Jelenik, Antoun Al-Masri, Timothy Danforth, David Apperson, Charlotte Bell and Adam Schwartz to its team.

David Jelinek, LEED AP, has joined WBA as an intern architect with over five years of experience in new construction and renovation projects, master planning, and commercial interiors. Prior to joining WBA Mr. Jelinek was an Architectural Intern at Holabird & Root, LLC in Chicago, IL. He completed his Master of Architecture from University of Florida and his Bachelor of Science in Architectural Studies from the University of Illinois Urbana-Champaign.

Antoun Al-Masri, brings over five years of experience in schematic design, design development, and construction administration on commercial and institutional projects around the country. He holds a Master of Architecture from Virginia Polytechnic Institute and State University and Bachelor of Science in Architecture from The Catholic University of America.

Timothy Danforth, AIA, joins WBA from Beery-Rio Architects where he managed the construction administration group. He has over 33 years of experience in the architectural profession and is a registered architect in 10 states. He is also an AHERA Trained Asbestos Inspector and Management Planner licensed in Virginia. Mr. Danforth received his Bachelor of Architecture from Virginia Polytechnic Institute and State University. He will be heading up the construction administration team at WBA working on federal government projects.

David Apperson, has over 10 years of design experience with specialized experience in base building existing conditions documentation. Mr. Apperson received his Bachelor of Science in Architecture from the University of Maryland. At WBA he will be working with the Interior Architecture team on government and commercial projects.

Charlotte Bell, IIDA, LEED AP, has joined WBA as an Interior Designer with over three years of experience in commercial interiors. Ms. Bell holds a Master of Arts in Interior Design from Marymount University and a Bachelor of Arts from Stanford University. In addition, Ms. Bell holds a Juris Doctor from the University of California, Davis. She will be working on commercial, institutional and government projects at WBA.

Adam Schwartz, first came to WBA as an intern during the summer of 2007. He now joins the firm full time as an intern architect working on the government team. Mr. Schwartz received his Master of Architecture and Bachelor of Science in Architecture from The Catholic University of America.
