ALEXANDRIA, VA - Terry Perry, FIIDA, Director of Interiors at Wisnewski Blair & Associates, was once again selected as a panelist for a discussion at the NeoCon East design exposition and conference.

Perry, a leading design principal in the DC Metro area, participated in "The State of the Design Professional," a discussion about the challenges and opportunities currently facing design professionals and future issues that will arise. Topics ranged from BIM and telecommuting to sustainable design and the economy.

NeoCon East takes place annually at the Baltimore Convention Center. It is the premier design exposition and conference in the Mid-Atlantic region for the design and management of the built environment.
