ALEXANDRIA, VA – During the season of giving, WBA gave back to the local communities by participating in various charitable programs and events. These included:

City of Alexandria Adopt-A-Family

WBA provided assistance to local families through the City of Alexandria's Adopt-A-Family program. WBA sponsored six families, which included 19 children. Everything from microwaves and blankets to toys and books were donated.

"We Care" Sponsored by The Boys & Girls Club and Herman Miller

WBA employees volunteered their time and creative talents to "We Care", a charitable event which is sponsored by the Boys & Girls Clubs of America and Herman Miller. Throughout the afternoon of December 2nd, WBA employees helped children create arts and crafts to take home and give as gifts to their families and loved ones.

Toys for Tots

For a third year WBA donated over \$250 dollars worth of toys and gifts to the "Toys for Tots" program, locally sponsored by The Peterson Companies.

Adults and children alike were able to better enjoy the holiday season through time and donations made by companies who care. WBA is proud of its tenure of participating and donating to different causes throughout the year, and especially over the holidays which can be even more difficult for the less fortunate.
